A story about AQUAmate

In 1993, facing the trends of reform and opening up policy, the lead of AQUAmate Group established Brand New Plastic Product Limited in Humen Town, Dongguan city, which specializing in the production of shower, shower panel, shower enclosure and hose etc. And all the products are for the oversea market.

At the same year, Brand New Technology Limited was established in Hong Kong for expanding the oversea market.

In 1996, Teamex Company Limited was established in Humen Town, Dongguan city for the growing oversea market. And it is also as the domestic marketing center

In 1997, a plastic mold factory was established

In 2000, Brand New Plastic Plating factory was established in Shenzhen

In 2006, AQUAmate Sanitary Ware Co., Ltd was established in Foshan city, which indicated AQUAmate came to the way of the holistic sanitary ware product line.
